FACTS

Each family received information regarding how to register with FACTS. As of today, we were informed by FACTS a total of 4 families have registered with the program. Please remember that all families need to register with the program since they will be handling the tuition billing. You will no longer receive a paper bill from the school.

TEACHER IN-SERVICE

Please note that our Teacher In-Service that was scheduled for Monday, April 22nd has been moved to Monday, April 1st.

SCHOOL SPIRIT

Our next school spirit event is scheduled for Friday, March 15th. The theme for the day is Green Day. Students will be allowed to come to school dressed in green color clothing.

ILLNESS

If your child is not feeling well, please keep them home. Students that are sick are highly contagious for the first 24 hours after medication has been given to your child. They are also more likely to spread their illness to others that are healthy.

DROP OFF & PICK UP PROCEDURES

Just a reminder parents that the procedures for picking up your child(ren) are as follows.

1. Enter in the large gate to drop off or pick up your child.
2. Exit through the small gate after you drop off or pick up your child.
3. If your child does not come right away, please circle through or park your car. Parking is available either in the front of the school or on the grass area.

Our first priority is the students safety. This will help with the flow of traffic and it will prevent any accidents that can occur. Please make note and follow the procedures.

Mahalo for your cooperation!
