DROP OFF & PICK UP PROCEDURES

Just a reminder parents that the procedures for picking up your child(ren) are as follows.

1. Enter in the large gate to drop off or pick up your child.
2. Exit through the small gate after you drop off or pick up your child.
3. If your child does not come right away, please circle through or park your car. Parking is available either in the front of the school or on the grass area.

Our first priority is the students safety. This will help with the flow of traffic and it will prevent any accidents that can occur. Please make note and follow the procedures.
