All families registering for the 2013-2014 school year can not pay their registration fee until you are signed up with the FACTS program.

LETTER OF INTENT

There are several families that have not turned in their child's letter of intent for the 2013-2014 school year. Whether your child will or will not be returning to our school, we need each family to turn in a signed **Letter of Intent form**.

This will help our teachers know how much textbooks to order and know how to prepare their classroom for the upcoming school year.

If you need another form, please pick one up at the school's office.
